

### Company info:

Nordica was established in 1999 to provide a wide range of business tourism service. In 2000 due to the ever-growing demand for business tours and programmes we started a new project – Nordica Centre for Business Cooperation. Over ten years in the market Nordica has succeeded in creating a positive image and developing a broad partner network both in Russia and abroad.

**2002** Nordica becomes an official partner of the Scandinavian Robotics Congress

**2005** Nordica becomes a member of the Northwest Technology Park “Hi-Tech Industry”

**2006** Nordica represents the City of St. Petersburg at the Scandinavian Technical Fair held in Stockholm
